OUR FIRM

- For over 20 years the industrial property firm of Pascale Lambert & Associés has assisted companies seeking to protect, develop and defend their intangible assets in France, in Europe and throughout the world.
- Our attorneys and jurists, assisted by a long-term administrative staff, form an experienced and dynamic team that will listen to your needs and objectives so as to provide you with the comprehensive and personalized service that your company deserves.
- By taking the time to understand our clients' specific needs, potential and strategy, we are able to maintain a proactive focus when working to define, secure and expand their industrial property rights.
- Our clients are therefore better able to devote their energies to their primary objectives of innovation and of developing and creating resources.
- Pascale Lambert & Associés provides comprehensive industrial property services that include:
 - analyzing the needs of your company,
 - working closely with your legal and marketing departments to define an industrial property strategy,
 - conducting the necessary priority searches and examining assignments or agreements relative to your industrial property rights,
 - securing and/or expanding the rights you need,
 - carrying out administrative operations with respect to French, foreign and European applications and filings, and
 - accompanying you as you set about expanding and conquering markets.

A presence in France and worldwide

- We work closely with our clients through our offices in Paris and in Le Mans. Our office in Alicante, headquarters of the Office for Harmonization of the Internal Market, further enables us to work in close collaboration with the OHIM with respect to all questions relative to Community trademarks and models.
